06 March 2014

In preparation for the next release of the **Ten-Year Network Development Plan (TYNDP) and the Regional Investment Plans in 2014**, ENTSO-E is holding in the Baltic Sea Region an open Workshop with Stakeholders on 18th March 2014 in Stockholm.

The objective of this Stakeholders Workshop is to introduce and discuss with the participants next TYNDP 2014 and Regional Investment Plans 2014 processes and the assessment of regional projects of pan-European relevance.

Content: The event will focus on the 2030 visions “slow progress” and “green revolution”, the outcomes of the market & network studies and TYNDP 2014 projects assessment based on the ENTSO-E Cost-Benefit Analysis Methodology. The key topics to be addressed include:

- ENTSO-E TYNDP - new role under the Regulation (EU) 347/2013, assessment of candidate PCIs,
- TYNDP projects assessment with the ENTSO-E Cost-Benefit Analysis Methodology
- TYNDP 2014 process & scenarios (2030 Visions Approach); 3rd party transmission and storage projects in the TYNDP 2014
- Regional Market and Network Studies outcomes

Expected participants include high level representatives of National ministries in charge of the energy sector, National Regulators, 3rd party projects promoters, energy utilities, energy associations, NGOs and all experts interested to know the latest developments in the Baltic Region towards the ENTSO-E TYNDP and Regional Investment Plans 2014.

All Stakeholders are kindly invited to register for the workshop via email, by indicating their full names, contact details and organization to Mrs. Thanh-Thanh Le Thi (thanh-thanh.lethi@entsoe.eu) **before 12th March 2014**.
